

**TIMBERLINE EVENTS, LLC**  
**ACKNOWLEDGEMENT AND ASSUMPTION OF RISK**  
**RELEASE AND INDEMNITY AGREEMENT**  
**Our lawyer made us say this... PLEASE READ CAREFULLY**

I know that running in or volunteering for a road race, regardless of the distance, is a potentially hazardous activity. I should not enter and participate unless I am medically able and properly trained. I accept all the risks of participating in the 2016 *Wild West Relay* (hereafter "the EVENT") even if they are created by the negligence of a Released Party or any one else.

I agree to abide by any decision of a race official relative to my ability to safely complete this road race and I further agree that race officials may authorize necessary emergency treatment for me and may alter the course for the safety of the participants. I also understand that police protection will not be provided, parts of the event will take place at night, sometimes in remote areas and often several hours from medical facilities and both vehicle traffic and spectators will be present along the course and I assume the risk of running or volunteering under such conditions. I grant my permission to *Timberline Events LLC* to utilize any photographs, motion pictures, videotapes, recordings, and any other references or records the EVENT may depict for any purpose, including commercial use by *Timberline Events LLC*.

I further assume any and all other risks associated with participating in the EVENT including but not limited to: physical exertion, authorized and unauthorized vehicles on the race course, illness, fatigue, altitude sickness, dehydration, traveling to and from the event on paved and unpaved trails, roads and highways at elevations between 4,500 and 11,500 feet, slips, trips, falls, contact with spectators or other participants, bicyclists, the effects of the weather (including but not limited to temperature extremes, humidity, lightning, high altitude exposure and thunderstorms) and the surface conditions of the roads (including but not limited to natural hazards such as rocks, dirt, water and debris and man made hazards such as cattle guards, pot-holes, fences, mile markers and delineator posts), all such risks being known and appreciated by me.

AS THIS IS AN OPEN COURSE, USE OF HEADPHONES OR EAR BUDS WHILE RUNNING IS STRICTLY PROHIBITED. ANY RUNNER OBSERVED BY RACE OFFICIALS OR REPORTED FOR USE OF THESE DEVICES WHILE RUNNING WILL RESULT IN IMMEDIATE DISQUALIFICATION OF THE RUNNER AND HIS OR HER TEAM. IF DISQUALIFIED, RUNNER/TEAM AGREES TO ABANDON COURSE.

***I HAVE READ AND UNDERSTAND THE EVENT POLICY REGARDING HEADPHONES AND EARBUDS.***
